Poster Boards

This year we ordered poster boards for everyone. The boards were to be here mid-November, but due to some shipping issues, the boards have not yet arrived. So, as we say in class, "make plans, but be ready to change them when needed." ☺ ***We will be making the posters in class this year from Nov. 28 – 30.*** We will also have opportunity then to share our projects and charities.

Supplies to bring on Nov. 28: printed photos that you want to put on your poster, your art supplies including scissors and glue, and any decorations you would like on your board.

Thank you for all your assistance in making this service project a great success.

Peace and blessings to all,

Mrs. Medhus
