Dear Parents,

I cannot thank you enough for all your support throughout this process so far. Your positive comments and willingness to help out today was a gift. The kids did such a great job...truly amazing, and should be very proud of themselves for all their hard work and efforts. Seeing them out there today was an example to us all that God is truly working through these great kids!

Hopefully your child was able to check out today. If not, I will stop off in their classroom to find out what their end totals were. Here is what will happen next:

* Confirm the charity they have chosen

* When they signed up, they should have received a flier that had a list of items their organization needs.

*IF NOT, simply call the organization directly or you can call Catholic Charities and ask for Janessa Jones [602-285-1999](tel:602-285-1999) and you can ask what items are needed.

* Super Saturday will take place on Saturday January 20th here in our Saint John School parking lot. On this day, all of the organizations will be on hand from 9:00am to 11:00am. Bring your child and your items for your organizations and you can deliver them that morning. It is a great opportunity for your child to see the project come full circle and to meet the people they are helping. 😊

* IF you cannot make it, you can contact Catholic Charities and make the delivery on your own or you can arrange with me or a friend to bring your items for you.

Please contact me if you have any questions or if I can help you in any way.

Much Thanks and Many Blessings to you and your wonderful children and families and thank you for helping them to make a difference in the lives of someone else!

Sincerely,
Patti Jasinski
