Dear Parents,

We would like to take this opportunity to welcome you and your child to a new year at Saint John XXIII Catholic School. The Middle School Team is looking forward to a wonderful year, which promises to bring with it many new experiences. In order to make the year a success, teamwork and cooperation will be required by all. As your child's teacher(s), it is our goal to help him or her become a confident learner in a Christ centered environment. Together we will make this year a positive experience for everyone.
If you have any questions now or at any time in the future, don't hesitate to contact us.
